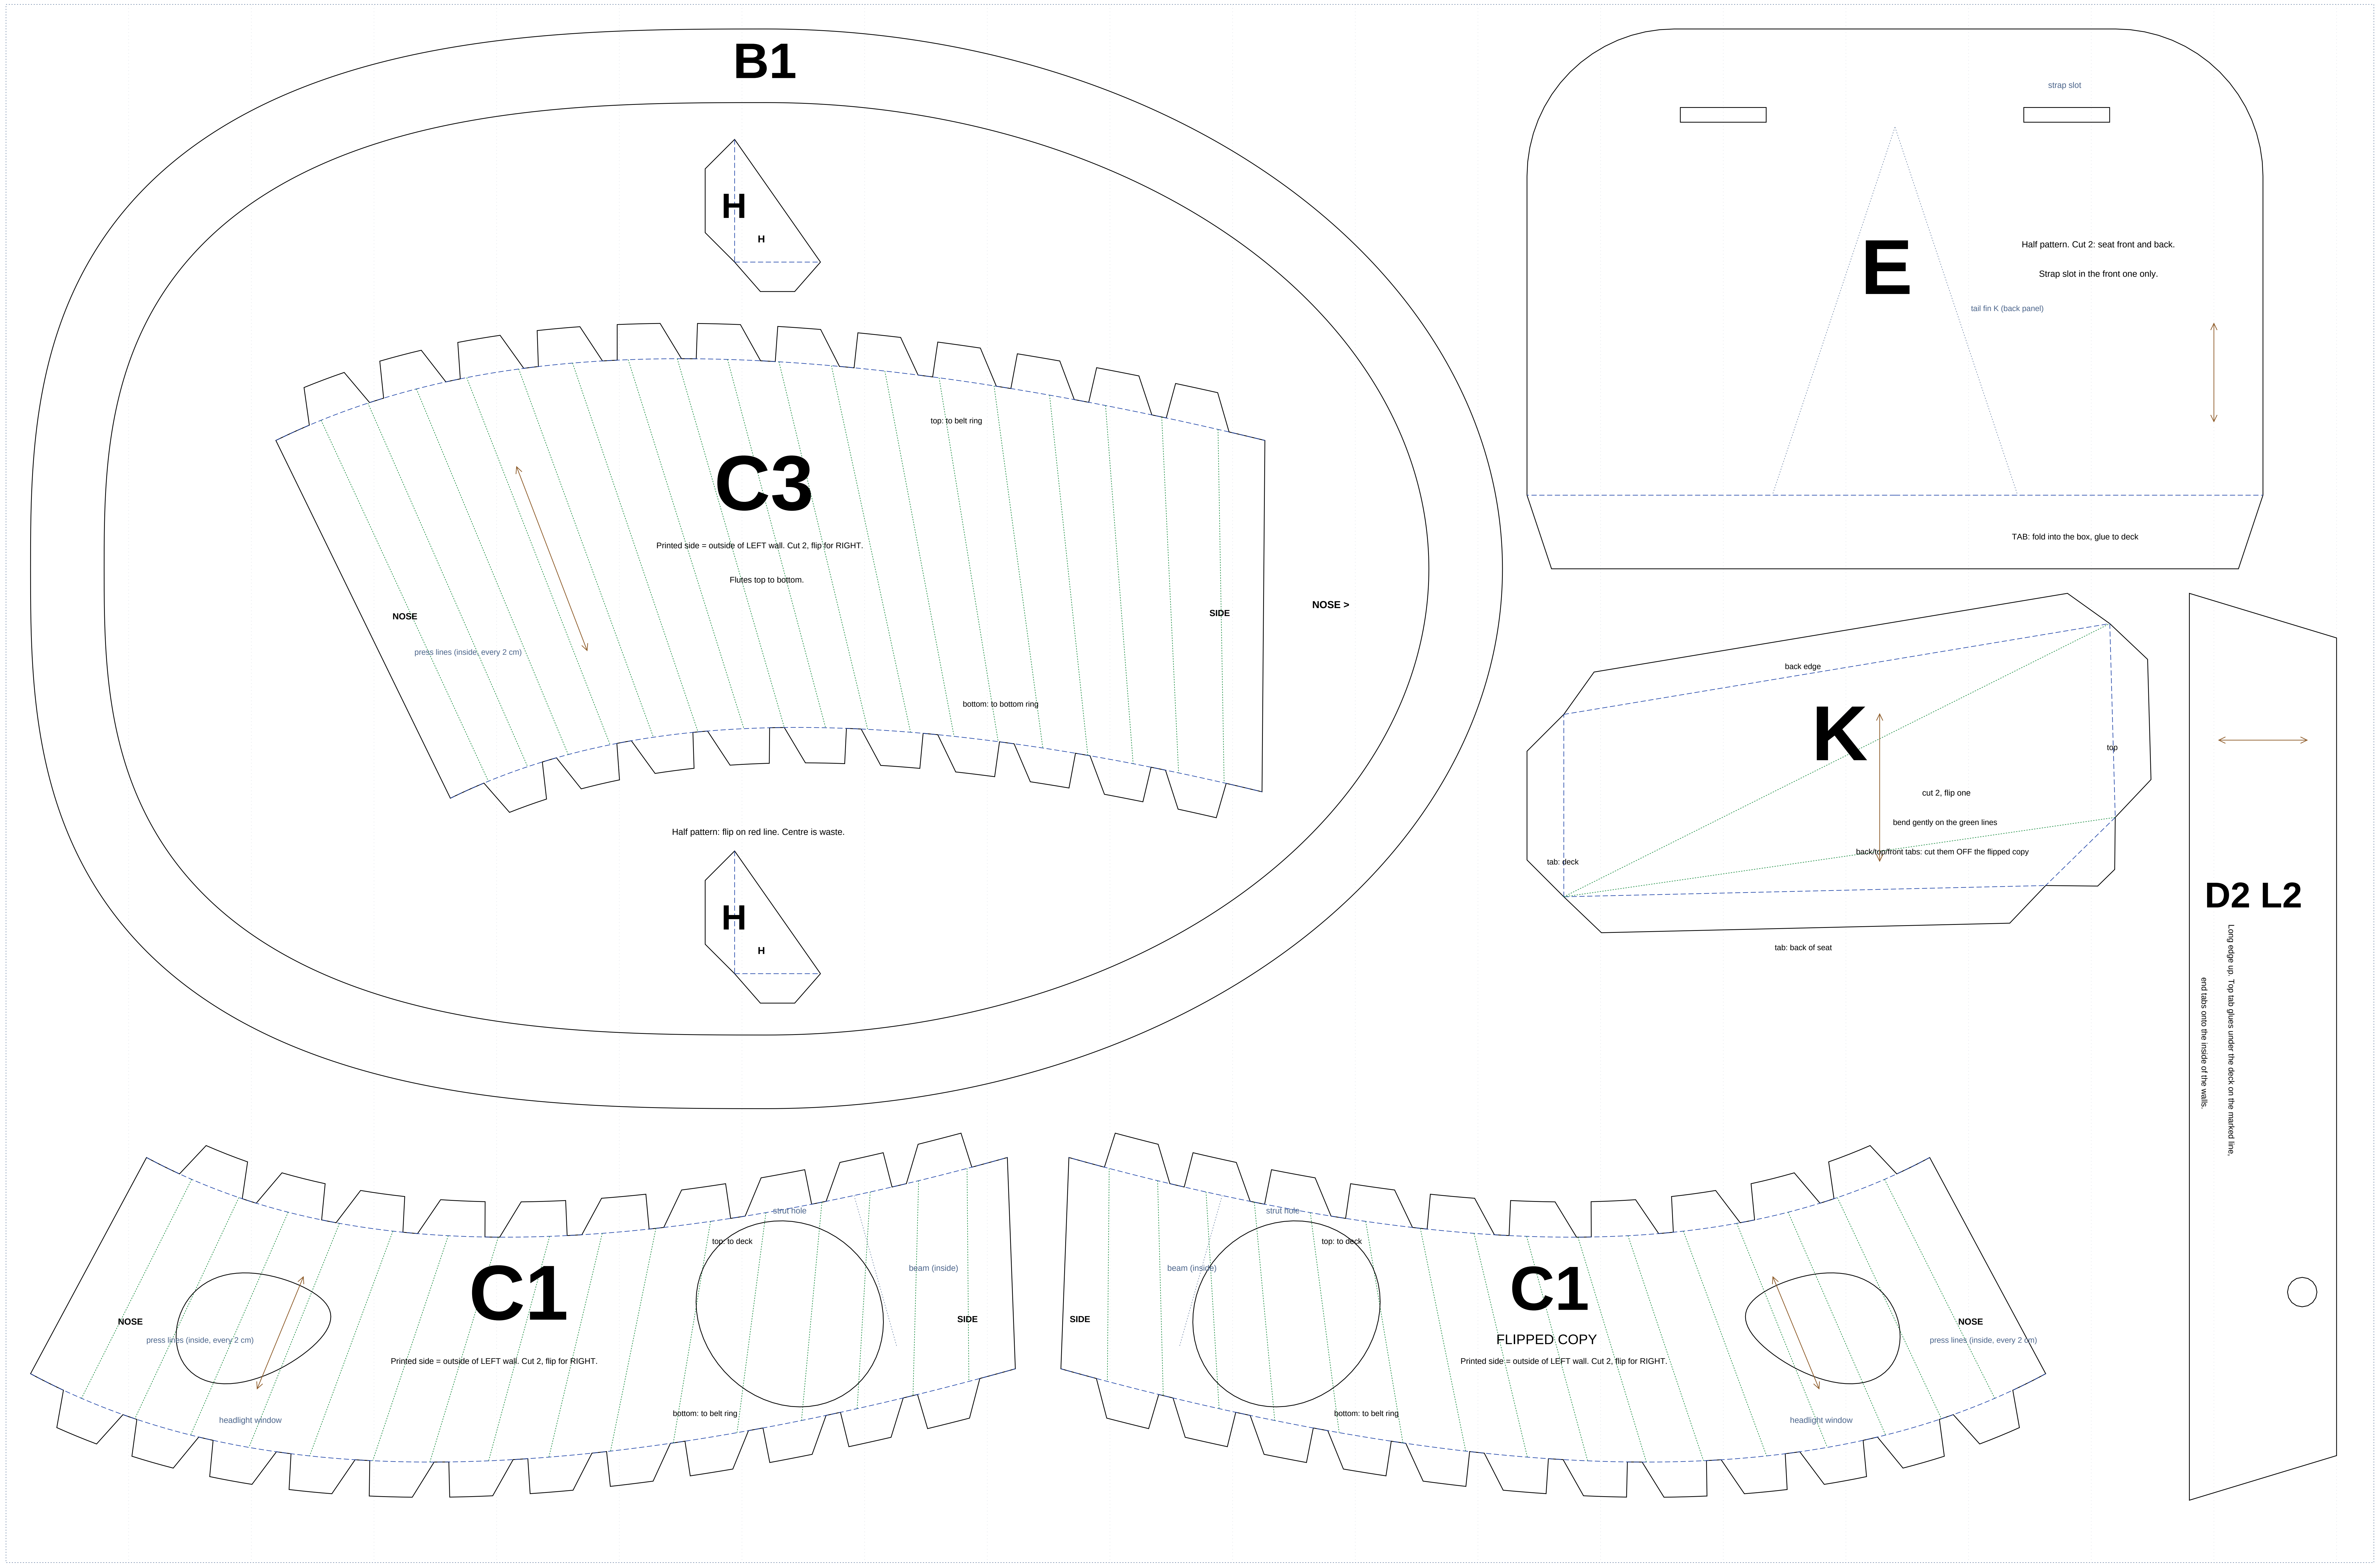
SKYCAB - CARDBOARD SHEET 1 OF 5   (3-ply, 25 x 38 in (64 x 97 cm))

Print at 100% / ACTUAL SIZE on A0. Check the 10 x 10 cm square before cutting.

Line up the dashed sheet outline with a corner of your cardboard. The waves (flutes) inside the cardboard must run UP-DOWN on this print, like the grey lines.

Either cut the paper parts out and trace round them, or pin the whole print on the sheet and cut through the solid lines.



Printed side = outside of LEFT wall. Cut 2, flip for RIGHT.

Flutes top to bottom.

Half pattern: flip on red line. Centre is waste.

Half pattern. Cut 2: seat front and back.

Strap slot in the front one only.

TAB: fold into the box, glue to deck

cut 2, flip one

bend gently on the green lines

back/top/front tabs: cut them OFF the flipped copy

Long edge up. Top tab glues under the deck on the marked line.

end tabs onto the inside of the walls.

Printed side = outside of LEFT wall. Cut 2, flip for RIGHT.

Printed side = outside of LEFT wall. Cut 2, flip for RIGHT.

edge of your 25 x 38 in (64 x 97 cm) cardboard sheet

10 x 10 cm

Measure both ways. Must be exactly 10 cm.
